

FLOWERCARD
Delivering a Smile

We hope you enjoyed receiving your Flowercard and it was a nice surprise from a friend or loved one. We have just 225 flowers left in stock, so make sure the Flowercard lasts as long as possible. Please feel free to water the flowers by using the enclosed pipette or watering can. When some of the flowers do wilt, don't pull them out but just cut off the wilting flowers with scissors. We recommend that you put a mat under the card if it is on a sideboard or mantelpiece as the water from the flowers may leak out of the sponge base. If there is anything else you need you can call us from our website at www.flowercard.co.uk or call us on 0845 458 3400. Graham Winne, Director
